Re: Tinolli Incorporated Site
Nesquehoning, PA
Your Correspondence Received August 12, 1988

Gentlemen:

We have received your correspondence concerning the Tinolli Incorporated Site in Nesquehoning, Pennsylvania.

We have carefully reviewed all of our records for any activities connected with Tinolli, Incorporated and have found that we have had no dealings with this company based upon our search.

We believe that all business conducted with this site would have been completed by the Giordano Waste Company, which was conducting business under the name of Ashland Metal Company until October 15, 1986. The address of Giordano Waste Company during this period was: 2820 Mt. Ephraim Ave, Camden, NJ 08104.

At the end of October, 1986, Broad Mountain Metals Corporation secured the rights to conduct business under the name Ashland Metal Company. There has been no business activity (including transport of any materials including waste) between Broad Mountain Metals Corporation acting under any of its trading names including Ashland Metal Company with the Tinolli Corporation in Nesquehoning, Pennsylvania.

We believe, therefore, that your correspondence should be directed to the Giordano Waste Company or other responsible parties.
